International visitors

Despite the continuing health crisis at the beginning of the year and the outbreak of Ukraine war in the spring, 2022 was a year of recovery for French tourism, with very solid performances in numbers of visitors, revenue, and investment.

The number of international arrivals 100 million in 2024* (90 million in 2019)

** Estimate by Atout France for 2024, based on international visitor numbers for 2023/2022, France having welcomed 93 million visitors in 2023 according to INSEE.*
