> **Congress and Event Capacity** : Up to **6,000** delegates

Located less than **an hour and thirty minutes** from Paris and **2 hours** from the main European capitals, Corsica develops every year its air and maritime connections with Europa. The transport supply has improved considerably over the last ten years with the increase of national and international lines.

## Sustainable and citizens activities

In recent years, many providers have developed eco-friendly activities in response to brands seeking to embody and promote sustainable values. What better destination than **Corsica**—this **island** in the heart of the Mediterranean? The island offers a wide range of low-impact experiences: private mountain biking through the maquis, guided hikes, orienteering, canyoning in crystal-clear rivers, and citizen initiatives such as beach cleanups, reforestation, and heritage restoration projects.

## Sustainability & Competitive Clusters in Corsica

Corsica is home to eco-friendly initiatives and competitive clusters, including projects focused on sustainable agriculture and marine research, creating opportunities for collaboration and growth.

## (Re)discover Corsica

Looking to blend business with leisure? Here are three inspiring ways to (re)discover Corsica:

- **Savor Local Flavors**
  Enjoy a private tasting in a vineyard or sample Corsican delicacies at a traditional inn—perfect for a gourmet break.
- **Embrace Culture**
  Privatize a citadel or heritage site for your event and immerse yourself in Corsican music, crafts, and traditions.
- **Dare the Unexpected**
  From sea kayaking to hiking in the maquis, choose unique incentives in wild, unspoiled landscapes for unforgettable memories.

## Four business territories based around the four airports of Corsica : Ajaccio, Bastia, Figari, Calvi

Approaching Corsica as a business destination means understanding the diversity of its regions in terms of accommodation, landscapes, and access. For optimal logistics, it's best to focus events on a defined area. A precise analysis of needs helps identify the most suitable territories. Around the four international airports, tailored accommodation and programs unfold between sea and mountains. Each region offers a wide range of accommodation, venues, and activities tailored to different business needs, from seminars to incentives and conferences.

## Bleisure in Corsica: Where Work Meets Leisure

Corsica offers the perfect blend of work and leisure. After productive meetings, unwind with stunning landscapes, whether on the pristine beaches or hiking through the mountains. Enjoy local gastronomy, explore charming villages, or relax in luxurious resorts. With a variety of activities like hiking, kayaking, and wine tasting, Corsica provides an ideal setting to combine business with memorable experiences.

Its unique culture and natural beauty make it an inspiring destination for both work and relaxation.

## Incentives Activities

Corsica is a true paradise for incentive trips, offering a mix of breathtaking landscapes, rich culture, and unique experiences. From team-building activities like canyoning and hiking in the maquis to luxurious beach resorts and fine dining, it’s an ideal destination for rewarding team members. With its stunning coastlines, charming villages, and diverse natural beauty, Corsica creates unforgettable memories that inspire motivation and team spirit. It's the perfect setting for those seeking adventure and relaxation combined.
